# 2026–27 COORDINATED FUNDING REQUEST

- The 2025–2026 enrollment and waitlist do not justify increasing the allocation. For the 2026–2027 school year, the Vermilion Community Network Lead Agency will **request 290 seats** for our public school PreK program.
- The NSECD program is part of Louisiana's effort to provide full day pre-kindergarten in state approved private preschools and child care centers. Our Network Partners have requested the following:
  - **Mommy's Helping Hand Too, Inc (Kaplan) 5–three year old seats, 5– four year old seats**
  - **Sam's Kid Safari (Abbeville) 10–three year old seats, 10–four year old seats**

*\*All other early childhood funding sources for birth to three year olds are allocated and managed by LDOE based on qualifying families.*
